## Tip-toeing to Mary

Amy and Andrew J. DiMaggio Jr. of LaPlace don't have to be told that their 1-year-old daughter Anna Maria is special. They get a glimpse of it every day when the toddler walks out to the front yard of her house and begins an animated conversation with the Blessed Mother. "Whenever she is with us in the front yard, she will always stop playing at some point and walk up to our statue of Mary," the DiMaggios said. "In this photo, she was holding her hands up and talking to Mary in her own babble language. We hope that this picture will inspire your readers to remember the words of Jesus who said that to enter the kingdom of heaven we must be as open as a child."
